

## Professor Peter Ebeling, AO, FAHMS

Chair, Healthy Bones Australia &  
Board member, International Osteoporosis Foundation (IOF),  
MELBOURNE

Professor Peter Ebeling, AO, FAHMS is an endocrinologist and Head of the Department of Medicine, School of Clinical Sciences at Monash Health, Faculty of Medicine, Nursing and Health Sciences, Monash University, Melbourne.

Prof Ebeling currently serves as Chair for Healthy Bones Australia; Board member of the International Osteoporosis Foundation (IOF); and current Past-President for the American Society of Bone and Mineral Research – The first non-north American to be elected to the position. He also sits on the Editorial Board of *Osteoporosis International* (OI) and was previously Editor of *Clinical Endocrinology* (Oxf) and Editor-in-Chief of *Bone Reports* and *JBMR Plus*.

Prof Ebeling is also Past-President of both the Endocrine Society of Australia (ESA) and the Australian and New Zealand Bone and Mineral Society (ANZBMS).

He was a member of the NHMRC Academy from 2009 – 2014, and the NHMRC Research Committee from 2015 – 2018. He further served as inaugural Director of the Australian Institute of Musculoskeletal Science (AIMSS). In 2015, was made an Officer of the General Division of the Order of Australia (AO) for distinguished service in the field of bone health. Prof Ebeling was recently elected as a Fellow of the Australian Academy for Health and Medical Sciences.

His research interests include musculoskeletal health and diseases; public health aspects of vitamin D, including effects on muscle function, bone and diabetes; post-transplantation osteoporosis; and osteoporosis in men.

Prof Ebeling has more than 526 peer-reviewed publications, including in the *New England Journal of Medicine* (NEJM), *Proceedings of the National Academy of Sciences of the United States of America* (PNAS USA), *Journal of Clinical Investigation*, and *Science*. He also mentors and teaches medical students and supervises several Research Higher Degree students and advanced physician trainees in Endocrinology.
